

“Beware of making False Statements on Mortgage Applications

The Serious Organised Crime Agency has used a civil asset recovery order to recover property acquired as a result of a mortgage fraud when a defendant had made false and dishonest statements about his income. The FSA has stated that it is committed to reducing mortgage fraud. If you require further advice about this or any matters connected with a mortgage please contact David Whitney on dw@hpwsolicitors.co.uk or 0208 735 9783.

13th October 2009. “
